

Erasmus+ KA1 “Integration of innovative methods in educational work”

Pedagogical innovation and creativity: Project-based learning and cross-curricular approach in the English lesson

EVERY DAY IS EARTH DAY II – ETWINNING PROJECT IN ENGLISH (2018-2019)

ETWINNING PROJECT ABOUT SUSTAINABLE DEVELOPMENT GOALS

SDGs project work:

Students carry out research about one of the SDGs they choose and produce a PowerPoint presentation with information about the sustainable development goal they have chosen, the problems and obstacles that prevent us from achieving this goal, as well as ideas and suggestions for solutions in order to overcome the problems and contribute to the realization of the goal and the improvement of our quality of life. Students present their project product in class.
