

## Acrostic poems

**L**ess rubbish, cleaner planet

**I**nvolve yourself in activities that help the world

**F**ind ways to help the planet

**E**ncourage your friends to recycle

**E**arth wants protection

**A**dopt a stray animal

**R**eplace the plastic bags with cloth bags

**T**he marine life should be protected

**H**elp the turtle Caretta Caretta, making donations for them

**D**on't throw your rubbish in the sea

**O**ceans are very beautiful with great marine life

**L**et food outside your door for the stray animals

**P**eople should keep the planet clean

**H**ave a bag, when you take your pet for a walk to clean up its mess

**I**magine a better world and then make it true

**N**ecessary for us is to have a clean planet

**O**nly we can help marine life

**C**lear water means clean planet

**E**arth is our home, don't damage it

**A**egean Sea's living creatures need our protection

**N**othing is better than a clean planet

**W**ith partnership, we can make the world better

**A** fish is a part of the life chain, don't extinct it

**T**he ocean is the home of many animals, don't pollute it

**E**arth needs us

**R**educe water pollution

**P**rotect the world from the pollution

**L**ess rubbish in the sea, cleaner sea for swimming

**A**ll united together we can help saving the world

**N**o more waste in the oceans

**E**nforce the law, throwing rubbish in the bins

**T**ake into account the alarming signs of the planet's pollution
